## Exhibit 9

Ok, I won't mention the lawsuit at KRMC.

Of course the defendants don't want the truth online. There are the facts and filings and then my opinions and 1st Amendment rights. And it's called the "public" record for a reason. Especially since I'm likely to die soon, at least my friends, family and the public (the few that care) should know who is responsible for my heart attack, stroke or accident. We'll see what the court says.

Ms. Baker,

I appreciate your heads up. If you or someone you are with need emergency medical attention, you will not be turned away from KRMC. My only request is that you do not discuss your lawsuit with persons at KRMC. I have asked that you not post your allegations and comments online as it may poison a jury pool, but that has fallen on deaf ears. That will be left for a judge to deal with.

Thank you. Kathleen

Ms. Elder,

It appears that I have to go to KRMC to get Elliot titled:

Is that a problem, should I go through you?

Thanks,
